Parent Partners in Ministry

Faith is caught, not taught. Children who see their parents lead faithful lives are more likely to grow up with rich spiritual lives of their own. One way to experience the Christian faith alongside your children is to get involved in Sunday school. In registering your children for Sunday school at Acton Congregational, we ask that you prayerfully consider how you can use your gifts to best serve the children's ministry of this church. We encourage all moms, and dads, even grandparents to participate and volunteer in our program. No experience is necessary – just a love for and commitment to the Christian nurture of children. Please check the area(s) in which you are interested and/or willing to serve in our Sunday School Program:
