Our Speaker

Rev. Susie Allen

She is a member of the Boxborough Well-Being Committee, which strives to improve the health and welfare of its residents. Retreat Highlights

In this post-modern, high-tech world, we are pulled in many directions – job, family, church, exercise, community service, Facebook, email, texting . . . How do we balance all these demands? How do we take time for God? Who’s really in charge? Is it our longing for God and God’s longing for us? Or is it our need to meet the demands and expectations of an ever-complex world?

Come away for a time of rest and reflection, and discover how we might shift our attention and intention toward God who gives us life, “that we might live it abundantly.”
